Special note for new Cub Scout families:

During fall recruiting, we prepare a pre-bagged "New Scout Kit" for Tigers, Wolves, Bears and Webelos. These kits contain:

- Neckerchief
- Slide
- Belt
- World Scout Crest
- Council Shoulder Patch

The kits are the same price as buying separates, but make it easier to get all the items you need. The price for the pre-bagged items is 10% below regular retail, saving you time shopping and checking out. **Just add a shirt and unit/den numerals, and your shopping is done!**
